4-Star Holiday Apartments in the Heart of Keswick

Gail and Andrew Newton invite you to enjoy a Lakeland break in picturesque Keswick. Keswick View offers a peaceful haven in the heart of this popular Lake District town. We are ideally situated in the pedestrianised town centre, close to:

- Restaurants, cafes and pubs
- Shops and Market Place
- Bus station and supermarket (Booths)
- Derwentwater with launches, boat hire and the 'Theatre by the Lake'
- Many other visitor attractions, including parks and cinema

You will be able to enjoy yourself, whatever the weather.

Use your car to explore the Lake District, or simply leave it in our private car-park to discover the joys of the local area by foot, cycle or public transport. This also makes Keswick View an ideal base for those arriving without a car.

Keswick View has three beautiful apartments, tastefully equipped with modern kitchens and bathrooms, comfortable bedrooms and living rooms. Upstairs apartments enjoy fine fell views across Keswick, while the Garden apartment is suitable for those with mobility difficulties, having level access to the car-park, town and lake.

Each self-contained apartment accommodates up to four guests and can be booked individually or together for larger parties.

Private facilities in each apartment include:

Guests are welcome to use the following shared facilities:

The Apartments

In addition to the above facilities, each apartment has its own individual character:

Garden Apartment (lower ground floor)

The Garden Apartment has level access from our private car park at the rear of Keswick View. It has a small sun-lounge opening onto the garden and patio with seating. Young families and those with mobility difficulties particularly enjoy its easy access and walkers/cyclists often use the sun-lounge for bikes and boots. Internal access to upper apartments is possible for larger groups.

Access to the upper-floor apartments is through the front door on Lake Road.

Whinlatter Apartment (first floor)

Whinlatter Apartment has spacious rooms, with fine views from the open-plan lounge/diner/kitchen across the town towards the Newlands Valley fells, including Catbells and Causey Pike. Generous-sized bedrooms overlook the pedestrianised heart of Keswick towards Skiddaw.

Castlerigg Apartment (second floor)

Castlerigg Apartment is comfortable and cosy, with panoramic views from the lounge and twin-bedroom towards the Newlands Valley fells. The double bedroom and kitchen/diner overlook the town, with views across the rooftops towards Skiddaw.
